Assessment and completion

Students' knowledge is assessed by means of practical exercises and seminar papers, and also via products, projects, performances, services, etc. and by examinations. Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5-1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

In order to progress to the second year, students must have completed course units from the first year of the proposed study programme amounting to at least 27 ECTS credits and a specific number of credits envisaged by the other part of the two-subject study programme. In order to progress to the third year, students must have completed all course units from the first year of the proposed study programme, amounting to 30 credits, and course units from the second year of the proposed study programme amounting to at least 27 credits; they must also complete the number of credits envisaged by the other part of the two-subject study programme.

Transitions

Second-cycle master's study programmes (SQF level 8)

Condition for obtaining certificate

In order to complete the programme students must complete all course units prescribed in both parts of the two-subject study programme for a total of 180 credits (90 credits in each part of the two-subject study programme).
