Assessment and completion

Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5-1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

Conditions for progression from year to year - The conditions for progression according to the study programme are harmonized with Article 151 of the Statute of the University of Ljubljana. To move to the second year of the programme, the student must complete the study obligations to the extent that he / she achieves 90 percent of the ECTS prescribed by the syllabus (54 out of 60 ECTS) for an individual year. To progress to the third year of the university double-major study programme Japonology, the student must complete the study obligations for the second year to the extent that he achieves 90 percent of the ECTS prescribed by the syllabus (54 ECTS out of 60 ECTS) of the second year, together with the total obligations 1. year (60 ECTS) means 114 ECTS collected.

Transitions

Second-cycle master's study programmes (SQF level 8)

Condition for obtaining certificate

To complete the double-major study, students must complete all obligations specified in the study programme and curricula of individual subjects, in the total amount of 90 ECTS. However, the entire study is completed only after the student has completed all the obligations in both selected disciplines, as determined by the study programmes and curricula of individual subjects, in the total amount of 180 ECTS.

In the last year of study, the student prepares an appropriate diploma thesis. The defense of the diploma thesis before a three-member commission of teachers from the Department of Asian and African Studies includes:

- presentation of the diploma thesis in Japanese and
- answers to questions in Japanese and Slovenian.

The diploma thesis, together with the defense, is evaluated with 3 ECTS.
