- prepare a draft founding act of a company, a registration of establishment, changes to or winding-up

- of an economic operator, etc.,
- prepare a draft proposal for the initiation of bankruptcy proceedings, liquidation, compulsory settlement, etc.,
- resolve issues in the field of competition law,
- register industrial property rights (for example draw up an application for the registration of a trademark and service mark),
- demonstrate understanding of the rules of the securities market,
- draw up a commercial contract, fill out a bill of exchange, etc.,
- demonstrate knowledge of criminal law in the institutional, material law and procedural senses,
- prepare a criminal report, a private action, a damages claim for an injured party, etc.,
- demonstrate knowledge and understanding of the legal attributes of individual criminal offences,
- demonstrate knowledge of labour law and social security,
- draw up an employment contract and other acts, implement disciplinary proceedings, participate in trade unions, etc.,
- demonstrate knowledge of the procedure for exercising rights to social care, healthcare and pension protection and the drawing up of legal acts in this connection, etc.,
- demonstrate knowledge of the system of public administration and administrative law, including administrative procedures,
- demonstrate knowledge of central records and the procedure for obtaining extracts from these records,
- draw up an application for a construction permit, demonstrate understanding of the importance of location information, etc.,
- demonstrate knowledge of international public law as a set of rules governing relations between states, and knowledge of the role, system of functioning and structure of international organisations (e.g. the UN),
- demonstrate familiarity with foreign legal terminology,
- draw up a contract, application, tender or other documents in a foreign language.

Assessment and completion

Students' knowledge is assessed by means of practical exercises and seminar papers, and also via products, projects, performances, services, etc. and by examinations. Five Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5-1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

In order to progress from the first year to the second year, students must have completed first-year course units totalling at least 35 ECTS credits. In order to progress, students must pass examinations in the following subjects: Jurisprudence, Constitutional Law, Civil Law – General Part.

In order to progress from the second year to the third year, students must have completed course units totalling at least 38 (further) ECTS credits. Examinations in the following subjects are compulsory: Family Law and Inheritance Law, Material Law, Civil Procedural Law, the Legal System and EU Institutions.

Transitions

Second-cycle master's study programmes (SQF level 8)

Condition for obtaining certificate

In order to complete the programme, students must complete all course units, for a total of 180 ECTS credits (pass all examinations prescribed by the study programme, and prepare and successfully defend a bachelor's thesis).
