Assessment and completion

Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5–1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

To progress from the first to the second year, a student must achieve at least 30 ECTS from the first year, submit a topic application on the form OBR-FUDŠ-010, approved by the Commission for Scientific Research (hereinafter KZRD), and submit a doctoral dissertation, which is proven with the signature of the mentor on the form OBR-FUDŠ-011.

The condition for progression from the second to the third year is the fulfillment of all obligations of the first year in the amount of 60 ECTS, individual work of the second year in the amount of 60 ECTS, which is assessed based on the mentor's opinion and confirmed disposition at the FUDŠ senate.

The faculty senate may approve progression to a higher year even if the student has not met the required conditions in the following circumstances: maternity, prolonged illness, exceptional family or social circumstances, participation in top cultural, sports or professional events. In this case, the student must provide appropriate evidence.

Condition for obtaining certificate

- successfully completed all study obligations prescribed by the programme
- preparation and successful defense of a doctoral dissertation
- the student completes his / her studies when he / she collects all 180 credits provided by the study programme
