The qualification holder will be able to:

- demonstrate a capacity for analytical, synthetic, logical and critical thinking,
- demonstrate a capacity for critical reading, evaluation and interpretation of different kinds of texts,
- express themselves professionally and coherently in oral and written form,
- carry out research and use scientific methods innovatively,
- autonomously collect and process material,
- demonstrate knowledge of scholarly apparatus and use it appropriately,
- constantly improve and build on knowledge,
- transfer knowledge into practice,
- demonstrate knowledge of modern information and communication technologies,

- participate in research projects,
- demonstrate a capacity for ethical reflection and a commitment to professional ethics,
- work in a multilingual and multicultural environment.

Assessment and completion

Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5-1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

In order to progress from the first to the second year of the second-cycle two-subject study programme in South Slavonic studies, students must have completed all course units prescribed by the curriculum and individual syllabuses for the first year of both study disciplines, for a total of 60 credits.

Transitions

Third-cycle doctoral study programmes (SQF level 10)

Condition for obtaining certificate

In order to complete the programme, students must successfully complete all course units prescribed by the study programme and individual subject syllabuses, for a total of 60 credits. Since this is a two-subject study programme, in order to complete the overall programme students must also complete all course units in the other discipline, consisting of 60 credits, for a total of 120 credits.
