Learning outcomes

Holders of a master craftsman qualification will be able to:

- organise and manage the work process,
- assure quality for products and services,
- prepare a business plan and analyse the results of work,
- receive customers and provide advice,
- manage the purchase and sale of products or services
- operate a business rationally and economically (staff, standards and calculation of services),
- draft proposals for the rewarding of co-workers and work to ensure a positive working environment,
- recruit staff and plan their development,
- implement environmental regulations and regulations on safety at work, fire safety and environmental protection,
- transfer knowledge, skills, experience and new developments in the profession to apprentices, students and co-workers,
- tan all types of hides for leather production to the standard of a master craftsman.

Accessors

Members of examination boards for each examination unit separately. Appointed by the minister responsible for education. Appointment may be renewed every 4 years.

Assessment and completion

Candidates sit a master craftsman examination, which consists of four units:

- a practical unit,
- a technical and theoretical part,
- a business and economics part,
- an education part.

Condition for obtaining certificate

Candidates must pass all four units of the master craftsman examination to receive the title of master craftsman.
