Candidates will be able to:

- plan, prepare, carry out and check own work and the work of their unit,
- protect life, health and the environment,
- communicate with co-workers and the environment and work in teams,
- use information and communication technologies,
- protect the confidentiality of military information,
- prepare personal equipment, crew-served weapons and technical equipment,
- handle and maintain personal weapons and equipment,
- carry out tasks in international military operations and protection and rescue missions and carry out security tasks,
- handle the equipment of a section and platoon and direct the fire of a subordinate unit or weapons system,
- direct and command an armoured vehicle and other temporary groups or platoons,
- supervise the work of subordinates,
- lead a small tactical unit or special group,
- organise and maintain weapons, ammunition, mines and other explosive devices, and other material and technical resources.

## Accessors

Verification and assessment are carried out by committees for the verification and validation of national vocational qualifications, appointed by the National Examination Centre (NEC). Committee members must be licensed by the National Examination Centre. Licences may be found [here](#) .

## Assessment and completion

### VALIDATION

During the counselling process, the candidate prepares a portfolio. The relevant committee assesses the portfolio and validates catalogue content in part or full. If the committee is unable to recognise all catalogue content, it assigns tasks to the candidate for verification.

### VERIFICATION METHOD

Practical testing.

## Condition for obtaining certificate

Candidates demonstrate attainment of the knowledge, skills and competences defined in the catalogue of standards of vocational knowledge and skills.

## Awarding body

Providers of procedures for identifying and validating national vocational qualifications are entered in a register of providers maintained in the relevant database of the National Reference Point for Occupational Qualifications. Providers include: vocational schools, companies, inter-company training centres, adult education centres, chambers of commerce, etc.

Currently no providers.
