- act diligently and honestly and in accordance with good business practices in real estate, the rules of the profession and the interests of the client.

Accessors

Verification and assessment are carried out by committees for the verification and validation of national vocational qualifications, appointed by the National Examination Centre (NEC). Committee members must be licensed by the National Examination Centre. Licences may be found [here](#).

Assessment and completion

VALIDATION

During the guidance process the candidate prepares a portfolio, which is assessed by a committee. If the portfolio submitted by the candidate contains authentic, valid and adequate proof of the knowledge, skills and competences defined in the occupational standard, the committee may:

- validate the contents of the occupational standard in full,
- validate the contents of the occupational standard in part and define the knowledge, skills and

competence to be verified,

- refuse to validate any of the contents of the occupational standard because the candidate has not provided proof of any of the knowledge, skills and competences defined in the occupational standard, in which case it will verify the occupational standard in full.

VERIFICATION METHOD

- written examination and
- practical examination with oral defense

The written examination represents 50% of the total assessment of the examination, whereby the candidate must achieve at least 60% of the points in the written part as a condition for being able to perform the practical examination with the oral defense. In the practical task selected by the examination commission, the candidate demonstrates the mastery of the required occupational competences according to the criteria of the occupational standard, together with the data from the public records. In addition to the practical task, there is also an oral defense, which includes a test of knowledge in accordance with the occupational standard.

- pisno preverjanje in
- praktično preverjanje z zagovorom

Pisno preverjanje predstavlja 50 % skupne ocene preverjanja, pri čemer mora kandidat na pisnem delu doseči najmanj 60 % točk kot pogoj, da lahko opravlja praktično preverjanje z zagovorom. Kandidat v praktični nalogi po izboru komisije za preverjanje ob podatkih iz javnih evidenc demonstrira obvladovanje zahtevanih poklicnih kompetenc po merilih poklicnega standarda. Ob praktični nalogi poteka tudi ustni zagovor, ki obsega preverjanje znanj skladno s poklicnim standardom.

Condition for obtaining certificate

A candidate demonstrates the attainment of the knowledge, skills and competences defined in the catalogue of standards of vocational knowledge and skills.

Awarding body

Providers of procedures for identifying and validating national vocational qualifications are entered in a register of providers maintained in the relevant collection of the National Reference Point for Occupational

Qualifications. Providers include: vocational schools, companies, inter-company training centres, adult education centres, chambers of commerce, etc.
