

# Talilec/talilka železovih litin

# **Selected qualifications**

Name of qualification

Talilec/talilka železovih litin

**Translated title (no legal status)** 

Foundry worker - Ferrous alloys

Type of qualification

Nacionalna poklicna kvalifikacija, SOK raven 4

**Category of qualification** 

Poklicna kvalifikacija

**Admission requirements** 

- At least elementary education,
- at least one year's manufacturing experience in the field of melting ferrous alloys.

**ISCED** field

Field

Tehnika, proizvodne tehnologije in gradbeništvo

**ISCED** subfield

subfield metalurgija, strojništvo in kovinarstvo

**Qualification level** 

SQF 4 EQF 4

## **Learning outcomes**

Candidates will be able to:

- take into account and ensure occupational safety and health and protect the environment in accordance with internal rules and statutory regulations.

#### **Accessors**

Verification and assessment are carried out by committees for the verification and validation of national vocational qualifications, appointed by the National Examination Centre (NEC). Committee members must be licensed by the National Examination Centre. Licences may be found <a href="here">here</a>.

## **Assessment and completion**

#### **VALIDATION**

During the guidance process the candidate prepares a portfolio, which is assessed by a committee. If the portfolio submitted by the candidate contains authentic, valid and adequate proof of the knowledge, skills and competences defined in the occupational standard, the committee can:

- validate the contents of the occupational standard in full,
- validate the contents of the occupational standard in part and define the knowledge, skills and competences to be verified,
- refuse to validate any of the contents of the occupational standard because the candidate has not
  provided proof of any of the knowledge, skills and competences defined in the occupational
  standard, in which case it will verify the occupational standard in full.

### **VERIFICATION METHODS**

Practical verification with an oral presentation.

## **Condition for obtaining certificate**

Candidates demonstrate attainment of the knowledge, skills and competences defined in the catalogue of standards of vocational knowledge and skills.

# **Awarding body**

Providers of procedures for identifying and validating NVQs are entered in a register of providers maintained in the collection of the national information centre for vocational qualifications. These are: vocational schools, businesses, B2B training centres, adult education centres and chambers of commerce.

Currently no providers.
