Accessors

Verification and assessment are carried out by committees for the verification and validation of national vocational qualifications, appointed by the National Examination Centre (NEC). Committee members must be licensed by the National Examination Centre. Licences may be found [here](#) .

Assessment and completion

VALIDATION

During the guidance process the candidate prepares a personal portfolio, which a committee then assesses, validating catalogue content in part or in full. If the committee is unable to validate all the contents of the catalogue, it assigns tasks to the candidate for verification.

METHODS OF VERIFICATION OF VOCATIONAL KNOWLEDGE AND SKILLS

Verification takes place in writing (30 minutes) and orally (45 minutes).

Condition for obtaining certificate

Candidates demonstrate attainment of the knowledge, skills and competences defined in the catalogue of standards of vocational knowledge and skills.

Awarding body

Providers of procedures for identifying and validating NVQs are entered in a register of providers maintained in the collection of the national information centre for vocational qualifications. These are: vocational schools, businesses, B2B training centres, adult education centres and chambers of commerce.
